

Beginner Fencing Camp at Heathwood Hall

Monday, July 11 – Friday, July 15, 2016
Mornings: 9:00 AM – 12:00 noon

(Campers need not be students at Heathwood Hall.)
This camp is for students in Grades 4-12.

Our beginner fencing camp will be taught by Michael Tarascio, a former member of the United States World Championship Team. This will be a great week-long introduction to the sport of fencing. The camp is intended for campers who have little to no fencing experience and is designed to teach fencing through activities, games and exercises that develop coordination, flexibility and focus. Coach Tarascio's philosophy on fencing is simple, "Participate in fencing because it's fun." All equipment is provided. Attendees will have lots of fun learning a great new sport!

Heathwood Hall Episcopal School is at 3000 S. Beltline Blvd, Columbia, SC 29201.

Cost of camp: \$175 plus \$25 registration fee.
